GETTING STARTED

What were you up to in 2014?

DISCUSS

What do you believe is the most common barrier between people and attending church?

- How do you contribute to Reality's mission of breaking down those barriers?
- Where/How do you see yourself contributing to the mission of Reality Church over the next ten years?

Which part of 'BREAK' do you do well? Which part do you need more accountability in? (See 'Apply It' below if needed)

Identify your 1More if you haven't yet - someone who is close to you but far from God.

- How will you pour into their life/lives spiritually this year?

DISCUSS *(continued)*

Life Groups are essential to Reality Church. Take some time to do a spiritual check-in with each member of the Group.
