GETTING STARTED

Who is your favorite comedian, musician or performer and why?

DISCUSS

What aspects of Jesus' character in the New Testament speak to you the most?

- How can we share our favorite model of God's character with others?

Imagine being an early Christian tasked with proclaiming the message of Jesus. What do you think this was like? What similar and differing challenges do we face in our society?

When you think about the statement "You're the only Bible some will ever read," does this make you feel good? How does this notion make you rethink things about your life?

DISCUSS *(continued)*

What can you do this week to point people to Jesus? Think about different places you will be. How can you share God differently but effectively in each?

How can the acronym **AMPEC**-Anticipation, Manifestation, Proclamation, Explanation, and Culmination aid you in understanding and sharing the Bible?

APPLY IT

Read the Bible and understand it. You have what it takes!

Go to your community this week with the knowledge that you might be the only way someone meets Jesus.

Is your life pointing people to God? If not, you can change that starting Today.
